

Secure the shadow

Somerset photographers 1839 – 1939

Robin Ansell, Allan Collier and Phil Nichols

The Somerset & Dorset Family History Society

2018

Updating : following the publication of the book in June 2018, a limited amount of revision has taken place. There are no plans at present to publish a second edition, and so this list acts as an update: it details photographers who have been 'discovered' since publication, and also photographers whose biographies have been amended. If you would like information on any of these, please contact Phil Nichols, via email barlands@hotmail.co.uk
